

**NOTICE
TO BIOMETRIC PASSPORT APPLICANTS**

The Embassy of the Republic of Djibouti in the United States and Canada wishes to inform Djibouti nationals living in the United States and Canada that the Embassy will begin accepting application forms for new Djiboutian biometric passports, starting June 4, 2018.

The requirements to apply for the biometric passport, in person and in Washington, DC will be posted soon on our website at djiboutiembassy.org.

Therefore, the Embassy does not issue, renew or extend the validity of the old passport.

For those who need to travel to Djibouti, the Embassy issues a laissezpasser (travel document) valid for a one-way trip to Djibouti.

Washington, D.C.
