**NOTICE  
TO BIOMETRIC PASSPORT APPLICANTS**

The Embassy of the Republic of Djibouti in the United States and Canada wishes to inform Djibouti nationals living in the United States and Canada that the Embassy will begin accepting application forms for new Djiboutian biometric passports soon. We will post a notice of the date in due time.

The requirements to apply for the biometric passport, in person and in Washington, DC will be posted soon on our website at [djiboutiembassyus.org](http://djiboutiembassyus.org).

Therefore, the Embassy does not issue, renew or extend the validity of the old passport.

For those who need to travel to Djibouti, the Embassy issues a laissez-passer (travel document) valid for a one-way trip to Djibouti.
